

NCCOS has created a Federal Funding Opportunity for Fiscal Year 2016 for two, national competitive hypoxia programs: the Northern Gulf of Mexico Ecosystems and Hypoxia Assessment Program (NGOMEX), and the Coastal Hypoxia Research Program (CHRP). The deadline for receipt of full applications, which should be submitted through Grants.gov, is January 22, 2016 for the NGOMEX program and February 5, 2016 for the CHRP program. An announcement of opportunity has been posted to submit proposals through Grants.gov:<http://go.usa.gov/c3TwT>

Funding Opportunity Number: NOAA-NOS-NCCOS-2016-2004640

Funding Opportunity Title: National Competitive Hypoxia Programs: the Northern Gulf of Mexico Ecosystems and Hypoxia Assessment Program (NGOMEX) and Coastal Hypoxia Research Program (CHRP)
